
ENTRY-LEVEL SOFTWARE / IT PROFESSIONAL

Motivated career-transition professional combining 10+ years of military and precision manufacturing experience with formal training in full-stack software development. Currently pursuing a BS in Information Technology with a 3.81 GPA. Strong foundation in JavaScript, HTML/CSS, debugging, quality assurance, and problem-solving in high-stakes environments. Seeking an entry-level software, IT, or data-focused role with growth into AI, analytics, or cybersecurity.

TECHNICAL SKILLS

Languages & Frameworks:

JavaScript (Certified), HTML/CSS (Certified), Python (In Progress), React (In Progress), Java (In Progress)

Databases & Tools:

MySQL (In Progress), Git/GitLab (Coursework), AI/GPT Tools (In Progress)

Core Concepts:

Full-Stack Fundamentals, Debugging & Troubleshooting, QA & Testing, Data Analysis Basics, Networking Fundamentals

EDUCATION

Bachelor of Science – Information Technology (Full Stack Web Development)

American Military University | Expected September 2026

GPA: 3.81 | 33 Credits Remaining

ERA Solutions Code Academy – Full-Stack Bootcamp

Expected July 2026

- HTML-CSS Web Designer (COITB)
- JavaScript Web Designer (COITB)
- React (Current – Completion 4/18/26)
- MySQL, Python, Java, AI/GPT (Upcoming)

RELEVANT EXPERIENCE

Machinist — CARVER PUMP | 2024 – 2025

- Programmed and optimized CNC and manual machines to produce military-grade components, mirroring software development, testing, and iteration cycles.
- Applied systematic debugging and quality checks to meet ISO 9001 standards.

Machinist — PRATT & WHITNEY | 2023 – 2024

- Collaborated with engineering teams to meet exact specifications under tight deadlines.
- Diagnosed and resolved production issues with precision and efficiency.

Machinist — UNITED STATES MARINE CORPS | 2009 – 2021

- Executed 30,000+ hours of precision operations in high-stakes environments.
- Achieved 97% defect detection accuracy through inspection, testing, and QA processes directly applicable to software testing and reliability.

ADDITIONAL EXPERIENCE

Driver Recruiter — JB HUNT TRANSIT | 2022 – 2023

- Evaluated candidates and met hiring targets through structured assessments and communication.

Maintenance Supervisor — SOUTHEAST POULTRY | 2021 – 2022

- Led maintenance operations and coordinated teams to ensure continuous performance.

AWARDS

Navy & Marine Corps Achievement Medal
Good Conduct Award (3x)
